### GENERAL MEETING OF SHAREHOLDERS

to be held January 14, 1974

This Information Circular accompanies the Notice of the General Meeting of the Shareholders of Bounty Exploration Limited (Bounty) to be held January 14, 1974, and is furnished in connection with the solicitation by management of Bounty of proxies for use at said Meeting. The costs of such solicitation will be borne by Bounty. It is planned that the solicitation will be primarily by mail.

A proxy in the form enclosed with the Notice of Meeting (a) confers discretionary authority with respect to amendments or variations to the matters identified in the Notice of Meeting, or other matters which may properly come before the Meeting; and (b) may be revoked at any time insofar as it has not been exercised. In addition to revocation in any other manner permitted by law, a proxy in the form enclosed may be revoked by an instrument in writing executed by the shareholder or by his attorney authorized in writing or, if the shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized, and deposited either at the head office of Bounty at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof at which the proxy is to be used, or with the chairman of the Meeting on the day of the Meeting or any adjournment thereof, and upon either of such deposits the proxy is revoked.

The shares represented by such proxy will be voted at the Meeting and, where a choice with respect to any matter to be acted upon has been specified in the proxy, the shares, subject to Section 121 of The Business Corporations Act (Ontario), will be voted in accordance with the specification so made. **Where no choice is specified with respect to any matter, the shares so represented will be voted in favour of such matter.**

A shareholder has the right to appoint a person (who need not be a shareholder) to attend and act for him and on his behalf at the Meeting other than the persons designated in the form of proxy enclosed with the Notice of Meeting. Such right may be exercised by inserting the name of such other person in the blank space provided in such form of proxy or by completing another form of proxy.

#### VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

There are 2,639,230 shares without par value of Bounty outstanding, each of which entitles the registered holder to one vote at any meeting of shareholders.

Only shareholders of record on January 14, 1974, the date of the Meeting, are entitled to vote thereat.

The directors and senior officers of Bounty have been informed that Geneva Partners owns directly or indirectly 1,000,000 shares of Bounty, being approximately 34% of the outstanding shares of Bounty.

#### SPECIAL RESOLUTION CHANGING NAME OF COMPANY

The shareholders will be asked to consider and, if thought fit, to confirm the resolution passed as a Special Resolution by the directors of Bounty on December 5, 1973, to amend the Articles of Incorporation of Bounty to change the name of Bounty to Gulfstream Resources Canada Limited.

#### INCREASE IN THE CAPITAL OF BOUNTY TO 7,500,000 SHARES WITHOUT PAR VALUE

The Shareholders will be asked to consider and, if thought fit, to confirm, the resolution passed as a Special Resolution by the directors of Bounty on December 5, 1973, increasing the capital of Bounty from 5,000,000 shares without par value to 7,500,000 shares without par value, by the creation of an additional 2,500,000 shares without par value.

attributable to the purchase price of the 10% interest in the Consortium. Only 83,333 shares of Bounty, out of such 166,666 shares will be issued to Gulfstream now and the remaining 83,333 shares of Bounty will be issued to Gulfstream when an exclusive Prospecting License is issued to the Consortium by the Government of Ireland.

The composition of the Consortium after the completion of the purchase by Bounty of its 10% interest therein will be as follows:

<u>Name</u>	<u>Interest</u>
Adanac Mining and Exploration Ltd. ....	10%
Alberta Eastern Gas .....	7.5%
Austro International Investment Corp. ....	10%
Coseka Resources Ltd. ....	10%
The Hon. Simon A. Fraser .....	10%
Gulfstream Resources Management S.A. ....	12.5%
Irish Ventures Ltd. ....	10%
Mindamar Energy Resources Ltd. ....	10%
International Mogul Mines Limited .....	10%
Bounty Exploration Limited .....	10%

Irish Ventures Ltd. will have a carried interest in the first \$500,000 of expenditures. It will also have an option to obtain an additional 10% working interest in the Consortium prior to the spudding of the first well. If such option is exercised the interest of the other members of the Consortium will be reduced pro rata. The acreage is subject to a 1% overriding royalty in favour of Galway University.

W. A. Roliff, Ph.D., Petroleum Geologist, in a report dated August 27, 1973, summarized that the area of the Continental Shelf on the west coast of Ireland underlain by several thousand feet of probably tertiary and mesozoic sediments is an area of great hydro-carbon significance for the future, and the prospects justify the interest in that area.

The Exploration License permits non-exclusive prospecting for petroleum, including geophysical work and drilling of shallow test wells over all of the designated area for a period of two years. It is anticipated that approximately \$200,000 will be spent on seismic data and for surveys. This work and information will enable the Consortium to better select specific blocks for leasing in areas where geological conditions exist which appear to be locally favourable for the accumulation of hydro-carbons.

**SALE BY COMPANY OF 1,000,000 SHARES  
OF ITS CAPITAL STOCK TO GULFSTREAM**

Pursuant to an agreement (Share Purchase Agreement) dated as of December 5, 1973, Bounty has agreed to sell to Gulfstream by way of private placement, 500,000 fully paid and non-assessable shares in the capital of Bounty at the price of 30¢ per share and a further 500,000 fully paid and non-assessable shares in the capital of Bounty at the price of 35¢ per share, to be taken up and paid for by Gulfstream forthwith after the shareholders of Bounty have approved the execution and delivery of the Share Purchase Agreement and the Asset Purchase Agreement.

The Share Purchase Agreement provides that it is subject to all relevant security laws of the Province of Ontario and the requirements of The Toronto Stock Exchange being satisfied in connection with the purchase of 1,000,000 shares of Bounty by Gulfstream, and also Gulfstream being provided on Closing with an undertaking from Bounty to permit Gulfstream to sell the 1,000,000 shares of Bounty purchased hereunder under any distribution to the public by Bounty of shares of Bounty, at any time within a period of three years from December 5, 1973, without cost to Gulfstream.

**CONDITIONS OF ASSET PURCHASE AGREEMENT  
AND SHARE PURCHASE AGREEMENT**

Both the Asset Purchase Agreement and the Share Purchase Agreement are subject to the shareholders of Bounty duly confirming and approving the execution and delivery of the Asset Purchase Agreement and

**PURCHASE BY BOUNTY FROM GULFSTREAM RESOURCES MANAGEMENT S.A.  
OF CERTAIN INTERESTS IN GAS WELLS, OIL AND GAS LEASES  
AND AN EXPLORATION LICENSE**

Bounty has entered into an agreement (Asset Purchase Agreement) with Gulfstream Resources Management S.A., 6 Rue de la Corraterie, Geneva, Switzerland, (Gulfstream), dated as of December 5, 1973, which provides for the purchase by Bounty from Gulfstream of:—

(i) a working interest varying from 14.0625% to 14.538% in the following 9 certain gas wells (the Gas Wells) located in the Lipan Field, Hood County, Texas, viz.:—

<u>Well</u>	<u>Working Interest</u>
Nichols Oil and Gas Guerry Well No. 1 .....	14.538%
Nichols Oil and Gas Guerry Well No. 2 .....	14.538%
Nichols Oil and Gas Noah Well No. 1 .....	14.0625%
Nichols Oil and Gas Parks Well No. 1 .....	14.538%
Nichols Oil and Gas Guerry Park Clapp Unit Well No. 1 .....	14.538%
Nichols Oil and Gas Parks Well No. 2 .....	14.538%
Nichols Oil and Gas Compton Well No. 1 .....	14.0625%
Nichols Oil and Gas Guerry Well No. 3, and .....	14.538%
Nichols Oil and Gas Reynolds Well No. 1 .....	14.0625%

(ii) a 12% net revenue interest in a certain agreement dated November 8, 1973 (Wes-Mor Agreement) made between Wes-Mor Drilling, Inc. (Wes-Mor) and Caliph Resources, Inc. (Caliph) pursuant to which Wes-Mor sold to Caliph a 75% interest in two certain gas, oil and mineral leases covering approximately 5,364 acres of land in Hood County, Texas, together with a 12% net revenue interest in the said two gas, oil and mineral leases, such 12% interest being hereinafter called the "Wes-Mor Interest" (Gulfstream having acquired a 14.0625% interest in the Wes-Mor Agreement from Caliph); and

(iii) an undivided 10% interest in a Consortium holding a non-exclusive Prospecting License covering oil and gas in an area lying off-shore the west coast of Ireland, granted by the Government of Ireland on February 25, 1973;

for the aggregate purchase price of \$781,000, payable in cash to the extent of \$371,000.20, and the issuance by way of private placement to Gulfstream by Bounty of 1,366,666 shares of Bounty at the price of 30¢ per share, being equivalent to \$409,999.80. Of the sum of \$371,000.20 payable in cash by Bounty to Gulfstream, the sum of \$147,000.20 is the actual cash disbursement incurred by Gulfstream to acquire its interest in and its share of the drilling cost of the Gas Wells, and the sum of \$224,000 is the amount of Gulfstream's actual cash disbursement incurred or to be incurred by Gulfstream to purchase the Wes-Mor Interest.

**THE 9 GAS WELLS**

The following is a copy of the Summary Report dated December 15, 1973 prepared by W. A. Roliff, Ph.D., with respect to the present value of the 9 Gas Wells:—

"The present value of the estimated cash flows, discounted at 9% for Gulfstream's share of the net cash flows to be generated by the proven developed resources of the nine Gas Wells after deduction of royalties, operating costs, all outside working interest and the return of moneys expended on drilling prior to September 30, 1973, amounts to \$507,700. The project as developed to date indicates a payout of about 15 months and an average rate of return, over the 25 year period of 40%.

"

Caliph has entered into an agreement with Texas Utilities Fuel Limited (Texas Utilities) for the sale of gas to Texas Utilities from certain gas wells including the 9 Gas Wells for 65.7¢ per MMBTU. Based on energy content, Texas Utilities will pay approximately 75¢ to 78¢ per MCF. Texas Utilities is to purchase on a “take or pay basis” 80% of the delivery capacity of such gas wells commencing November 1, 1973. It is anticipated that the 9 Gas Wells will be “hooked into” the Texas Utilities gathering line system by Texas Utilities prior to February 1, 1974.

It is estimated that the gross income to Bounty from the 9 Gas Wells in 1974 will be in excess of \$100,000.

**WES-MOR AGREEMENT**

The two gas, oil and mineral leases in which Caliph acquired a 75% interest pursuant to the Wes-Mor Agreement are known as the “Jack Gregg Lease” and the “Aldenhoven Lease” (together called the “Leases”). The purchase price payable by Caliph for the 75% interest in the Wes-Mor Agreement is \$1,400,000 in cash payable on Closing of the transaction. The sum of \$70,000 was deposited by Caliph in the First National Bank of Graham, Texas, as part of the purchase price prior to November 15, 1973 and is held in escrow pending the Closing, and the balance of the purchase price is due 30 days after Caliph has received abstracts of the titles to the Leases. It is expected that the Closing of the transaction referred to in the Wes-Mor Agreement will be on or before December 31, 1973, if there are no discrepancies or encumbrances to or on the titles to the Leases.

With respect to the 25% interest in the Wes-Mor Agreement not acquired by Caliph, pursuant to the Wes-Mor Agreement, this will be held by Wes-Mor for the purpose of satisfying all royalties or overriding royalties or any other right in the oil, gas and minerals which are on or in the lands covered by the Leases.

The Jack Gregg Lease is dated March 9, 1971 and is from Jack Gregg, et al, as Lessor, to David Oil Corporation, as Lessee, and covers 495.5 acres of land in Hood County, Texas, and has been assigned to Wes-Mor.

The Aldenhoven Lease is dated April 20, 1971 and is from Norma S. A. Hyer, et al, as Lessor, to Wes-Mor, as Lessee, and covers 4,874.41 acres of land in several tracts in Hood County, Texas.

There are four gas wells capable of producing located on the lands which are the subject of the Wes-Mor Agreement and Bounty will have a 12% net revenue interest in such gas wells.

Under the Asset Purchase Agreement Bounty has agreed to pay to Gulfstream the amount of any costs or expenses incurred by Gulfstream with respect to the Wes-Mor Interest in addition to the actual acquisition cost thereof provided such additional expenses do not exceed \$100,000 in the aggregate, and Bounty will pay such additional amount in cash or will give to Gulfstream a Promissory Note bearing interest at the prime rate of the Canadian Imperial Bank of Commerce for the amount of such additional costs.

Gulfstream acquired the Wes-Mor Interest under an arrangement with Mindamar Energy Resources Limited (Mindamar) pursuant to which it has the right to acquire a 25% interest in acquisitions acquired by Mindamar in the U.S.A., at acquisition cost. Caliph is a wholly owned subsidiary of Mindamar.

The following interests in the Wes-Mor Agreement, in the Jack Gregg Lease and in the Aldenhoven Lease are held by Bounty, Caliph, Gulfstream and a subsidiary of International Mogul Mines Limited (Mogul Subsidiary):—

	Interest
Caliph .....	42.1875%
Mogul Subsidiary .....	18.75%
Bounty .....	12.00%
Gulfstream .....	2.0625%

**PROSPECTING LICENSE**

The purchase price of the 10% interest in the Consortium holding the non-exclusive Prospecting License has been fixed by Gulfstream at \$50,000. This price has been paid recently by two other companies purchasing a 10% interest in such Consortium. Accordingly, out of the 1,366,666 shares of Bounty to be issued to Gulfstream at the price of 30¢ per share, as part of the aggregate purchase price, 166,666 shares are

the Share Purchase Agreement and The Toronto Stock Exchange accepting for filing a Filing Statement of Bounty relating, inter alia, to the Asset Purchase Agreement and the Share Purchase Agreement, and the other matters referred to herein. Unless the shareholders of Bounty duly confirm and approve the execution and delivery of the Asset Purchase Agreement and the Share Purchase Agreement and The Toronto Stock Exchange accepts for filing such Filing Statement, on or before January 15, 1974, or such later date as Bounty and Gulfstream may agree to, both the Asset Purchase Agreement and the Share Purchase Agreement will be null and void.

The Asset Purchase Agreement is also subject to Gulfstream having good title to the Gas Wells, the Wes-Mor Interest and the 10% interest in the Consortium at the time of Closing of the transaction, and if Gulfstream does not have good title the Asset Purchase Agreement will be null and void at the option of Bounty.

**INSPECTION OF ASSET PURCHASE AGREEMENT,  
THE SHARE PURCHASE AGREEMENT AND REPORTS  
OF W. A. ROLIFF, Ph.D.**

A copy of each of the Asset Purchase Agreement, the Share Purchase Agreement and the Report of W. A. Roliff, Ph.D. dated October 10, 1973 and his Summary Report dated December 15, 1973, with respect to the Gas Wells will be available for inspection at the head office of Bounty, 3rd Floor, 34 Adelaide Street West, Toronto, Ontario, during normal business hours up to the date of the Meeting of Shareholders. A copy of both such Agreements and such Reports has also been filed with The Toronto Stock Exchange.

**INTEREST OF GULFSTREAM IN BOUNTY**

Gulfstream, the vendor of certain property to Bounty as set forth in the Asset Purchase Agreement and the Purchaser of 1,000,000 shares of Bounty pursuant to the Share Purchase Agreement, is the registered holder of 225,000 escrowed shares of Bounty, which are subject to release and transfer only with the written consent of the Board of Directors of Bounty, The Toronto Stock Exchange and the Canadian Stock Exchange. The Toronto Stock Exchange has deemed Gulfstream to be in a position to materially control the affairs of Bounty due to the holding of such escrowed shares and its ability to nominate directors of Bounty through its association with Geneva Partners referred to above. In the event that the transactions referred to in the Asset Purchase Agreement and the Share Purchase Agreement are implemented, Gulfstream will be the holder of approximately 49% of the issued shares of Bounty. Adolf H. Lundin, the President of Bounty is also the President, a director and a shareholder of Gulfstream, and Edward F. Durkee, a director of Bounty is also a Vice-President, a director and a shareholder of Gulfstream.

**EMPLOYEE STOCK OPTION TO GENERAL MANAGER**

On December 5, 1973, Selmer Pederson of Denver, Colorado, geologist, was engaged as General Manager of Bounty and on the same day the directors of Bounty passed a resolution granting Pederson a non-assignable Employee Incentive Stock Option to purchase 131,000 shares of Bounty at the price of 51¢ per share exercisable for a period of three years expiring December 4, 1976, provided Pederson remains in the employ of Bounty until such option is exercised.

**OTHER BUSINESS**

The management of Bounty knows of no matters to come before the Meeting other than the matters referred to in the Notice of Meeting. However, if matters not now known to the management should come before the Meeting, the shares represented by proxy solicited by management will be voted on each such matter in accordance with the best judgment of the nominee voting same.
